## NAMI Western Massachusetts Our Goal:

The idea of having the art and poetry show is so that artists living with a mental health condition will have a chance to exhibit their talents and show the public how art can be a healing process during their recovery.

The exhibit can help raise awareness about NAMI-WM and break the stigma often attached to mental illness.

## Mission Statement

NAMI Western Massachusetts is dedicated to improving the lives of individuals and families affected by mental health conditions through support, education and advocacy towards building better lives.

As an affiliate of the nation's largest grassroots mental health organization, NAMI Western Massachusetts advocates for access to services, treatment, supports and research and is steadfast in its commitment to raising awareness and building a community of hope for all those in need.
